

WASHER TOSS/ BEAN BAG TOSS

GAME CONTENTS

- (2) DOUBLE SIDED GAME BOARDS
 - ONE SIDE IS HARD TOP FOR BEAN BAGS (ORANGE/BLACK SIDE)
 - ONE SIDE IS SOFT SIDE FOR WASHERS (BLUE/BLACK SIDE)
- (4) SHORT LEGS FOR THE BOTTOM OF THE BOARD
- (4) LONG LEGS FOR THE TOP OF THE BOARD
- (3) WASHERS RED
- (3) WASHERS BLUE
- (1) CARRY BAG

Please note that this is a special game board with each side designed to accommodate the specific game. The Blue/black side is soft sided for play with the washers. The black/orange side is hard wood for play with the bean bags. Do not use the washers on the black/orange side of the board as this will cause damage to the playing surface.

ASSEMBLY

Easy quick set up! Insert the two long legs in the holes on the upper side of the board and the two short legs on the bottom holes. Flip the game board over so the legs are standing on the ground.

SET UP

Place the boards 15 feet apart on a flat, wide- open space with no obstructions. The washers are made of metal and can damage objects or people who are impeding or surrounding the playing area. Be sure your game is set up with plenty of free space surrounding the area. The board placement can be adjusted for player type or quickness of game play.

WASHER TOSS/ BEAN BAG TOSS

HOW TO PLAY

Play can commence with 2 or 4 players with teams divided into blue team and orange team.

If playing with 4 players, your partner will be throwing directly across from you. In a 2 player game you will start throwing from one side, walk to the other board, and shoot back at your starting board from the opposite side. Please see illustration for reference.

To start the game you can either toss a bean/bag washer and the one to get it in the hole with most points or closest to the board starts. You can also flip a coin, or have the youngest player start the game. It's your house, your rules! Players from each team will take turns alternating throws.

Both feet must be behind the edge of the board while throwing

When all bags and washers have been thrown, score will be added and the team with the most points in that single round will throw first on the next round.

The object of the game is to get to 21 first.

SCORING

Points are scored when the washers or beanbags land in the hole. Hole points are assigned on the board for reference.

- One point for the top hole (larger hole)

- Three points for the middle hole (medium hole)

- Five points for the bottom hole (smallest hole)

A bag or washer that lands on the board or outside the board scores 0 points. It must land in the hole to be scored.

Each team's points cancel each other out so that only one team can score per round. The first team to reach 21 by 2 points wins the game. You must win by 2 points, otherwise game goes into overtime.

CARE

Please don't leave your game outside. It is not waterproof and if it gets wet be sure to dry it completely before placing in storage bag. Do not stand on the boards as they will not hold amount of weight outside simple tosses from bags or washers.

If items are missing and fell out of the box (this happens) or anything is damaged in shipping (shipping companies are rough on packages), no need to get upset and start writing bad things, just send us a quick email and we will get you taken care of ASAP
